Procedure for re-crediting a student's FEE-HELP balance after the census date

The procedure for the re-crediting of a FEE-HELP balance is as follows:

- (a) when a student withdraws from a VET unit of study, SRI shall confirm the withdrawal by giving notice to the student in writing stating the date at which the withdrawal has taken effect;
- (b) when a student fails to meet the requirements of a VET unit of study, SRI shall confirm the failure by giving notice to the student in writing of the final result for that VET unit of study after results for the VET unit of study have been properly approved;
- (c) the student must apply in writing to the RTO Director within 12 months from the date specified in the notice as the day of withdrawal or the date of receiving their final results for the VET unit of study. SRI may exercise its discretion to waive this requirement if in its opinion it was not possible for the application to be made before the end of the 12 month period. The written application must also include supporting documentation that demonstrates that the requirements for special circumstances have been met.
- (d) The RTO Director will consider the application and will agree to such requests if they are satisfied that there were special circumstances in the student's case;
- (e) If the application is successful, SRI will re-credit the student's FEE-HELP balance with an amount equal to the amounts of VET FEE-HELP or VET STUDENT LOANS assistance that the student has received for the affected VET units of study and the student's VET FEE-HELP or VET STUDENT LOAN debt for those VET units of study will be removed;
- (f) SRI shall advise the student of the outcome of the application (including the amount to be re-credited) within 28 days stating the reasons for the decision;
- (g) SRI shall also advise the student of their rights for a review of the decision if they are not satisfied with its outcome and that a request for such a review must be lodged within 28 days from the day of receipt of the decision or such longer period as SRI allows.
