Our students

Only highly achieving and hardworking students are eligible to receive free assistance and secure the vocational placement. This ensures that your company is matched with students equipped with the latest business theories and willing to learn from your experience.

To enrol into the program, our students must complete a compulsory vocational work placement, a process which starts anytime throughout the year.

Benefits

Internship programs are not just for large corporations. Any business can give students the hands-on experience they require for their university assessment, while enjoying benefits such as:

- Injection of fresh ideas by degree qualified interns
- Creation of a pool of possible recruits with up-to-date business practices
- Additional productivity and diversity in your workforce
- Extra assistance in the office

The program

- 10-12 weeks of unpaid work
- Up to 20 hours per week
- Accidental and public liability insurance coverage for interns
- Ongoing support during the internship to both students and employers to ensure positive outcomes
