

The BSB50420 Diploma of Leadership and Management suits individuals who want a career in leadership and management across a range of enterprise and industry contexts.

Typically, people in these roles display initiative and judgement in planning, organising, implementing and monitoring workload. They use communication skills to support individuals and teams to meet organisational or enterprise requirements. They plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.
