

Are you short on time and struggling to find employment?

Career Transition Coaching (CTC) with the Sarina Russo Institute will get you up to speed in as little as three weeks.

You will learn:

- Digital literacy skills including social media and online job application sites
- Practice your interview skills in line with the STAR method
- How to target your resume and cover letter for the job you want
- How to promote and market yourself

Call us today on 1300 317 535 for an obligation free chat to see how we can help you get back into the workforce.
